***We are the La Ronge Ski Club. Please join us today!***

Your membership and participation can help to ensure that as a community, we will continue to enjoy some of the best trails in Saskatchewan, host premiere events like the Saskaloppet, and enjoy a good cup of hot chocolate beside a crackling fire after a good ski.

If you, or your family, are interested in cross country skiing, there are programs available for all ages. The Jackrabbit program provides instruction for children aged 12 and under. Adult ski lessons (Sid Robinson, 425- 2502) are also available for those new to cross-country or those with dusty skis. For families without skis, local community schools often make skis available to students and their families.
